Special Occasion Services

Special Occasion Planning

We didn't forget about other special occasions! Bridal showers, baby, engagement parties, anniversaries, birthday parties, you name it and our coordinators will be there to assist you during the entire process with final details and anything you may need the day of.

Cupcake:

Full-Service Coordination

There are so many important celebrations in life that we all hope to make memorable. They can also be stressful to plan if you consider yourselves unorganized, easily overwhelmed or just extremely busy with work and life. If you want someone to help you every step of the way from choosing your venue to creating your theme to taking down the last piece of décor at the end of the night, you are looking for a full plan.

Lollypop:

Partial Coordination

For the semi-planners we offer the partial plan. This is for those who have the big picture chosen and a few vendors alongside that choice. We are there to ensure all the pieces tie together for your day no matter the occasion!

Gumdrop:

Month/Day-Of Coordination

You have planned the entire party but now what? You realize you need someone to take over for the day of. That is where we step in! A month prior to your celebration we make a plan of action and we carry it out for you so that you can enjoy the celebration you have planned without sweating the small stuff.
